| Application                | ELISA                                                                                                                                                                                                                                                         |
| Species Reactivity         | Bovine                                                                                                                                                                                                                                                        |
| Product Description        | This Bovine Macrophage Inflammatory Protein 3 Alpha (MIP3a) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in serum, plasma, tissue homogenates, cell lysates, cell culture supernatants and other biol... |
| Range                      | 15.6-1000pg/mL                                                                                                                                                                                                                                                |
| Sensitivity                | 5.8pg/mL                                                                                                                                                                                                                                                      |
