| Category                   | Kits/Assays                                                                                                                                                                                          |
| Species Reactivity         | Human                                                                                                                                                                                                |
| Product Description        | This Human Retinoid X Receptor Alpha (RXRa) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in tissue homogenates, cell lysates and other biological fluids.... |
| Range                      | 0.312-20ng/mL                                                                                                                                                                                        |
| Sensitivity                | 0.116ng/mL                                                                                                                                                                                           |
| NCBI                       | <a href="#">319086</a>                                                                                                                                                                               |
| UniProt                    | <a href="#">P53346</a>                                                                                                                                                                               |
| Samples                    | tissue homogenates, cell lysates and other biological fluids.                                                                                                                                        |
| Application Notes          | Assay Length: 4.5 hours .Experimental Method: Sandwich                                                                                                                                               |
