| Alternative Catalog Number | RDD-RDSM215-100                                                                                                                            |
| Manufacturer               | reddot Biotech                                                                                                                             |
| Category                   | Kits/Assays                                                                                                                                |
| Application                | FA                                                                                                                                         |
| Species Reactivity         | All                                                                                                                                        |
| Product Description        | This is a metabolite assay kit for the Detection and Quantification of Proanthocyanidin Content. This product is for Research Use Only.... |
| Range                      | 0.1 mmol/L - 10 mmol/L                                                                                                                     |
| CAS Number                 | [4852-22-6]                                                                                                                                |
| Samples                    | Tissue extracts, Other biological fluids                                                                                                   |
| Application Notes          | Detection Method: Colorimetric. Platform: Microplate reader 500 nm                                                                         |
