| Category                   | Kits/Assays                                                                                                                                                                                                                 |
| Species Reactivity         | Rat                                                                                                                                                                                                                         |
| Product Description        | This Rat Surfactant Associated Protein A (SPA) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in serum, plasma, lung lavage fluid, tissue homogenates and other biological fluids.... |
| Range                      | 15.625-1000pg/mL                                                                                                                                                                                                            |
| Sensitivity                | 6.9pg/mL                                                                                                                                                                                                                    |
| NCBI                       | <a href="#">653247</a>                                                                                                                                                                                                      |
| UniProt                    | <a href="#">P02812</a>                                                                                                                                                                                                      |
| Samples                    | serum, plasma, lung lavage fluid, tissue homogenates and other biological fluids.                                                                                                                                           |
| Application Notes          | Assay Length: 4.5 hours .Experimental Method: Sandwich                                                                                                                                                                      |
