| Species Reactivity         | Human                                                                                                                                                                                                                                                         |
| Product Description        | This Human Signal Transducer And Activator Of Transcription 6 (STAT6) ELISA Kit is a precoated, Sandwich ELISA assay designed to detect and quantify the target analyte in tissue homogenates and other biological fluids . This product is for Research U... |
| Range                      | 0.312-20ng/mL                                                                                                                                                                                                                                                 |
| Sensitivity                | 0.128ng/mL                                                                                                                                                                                                                                                    |
