| Product Description        | This Rat Ubiquinol Cytochrome C Reductase Core Protein II (UQCRC2) ELISA Kit is a Sandwich ELISA assay that will detect and quantify the target analyte in tissue homogenates and other biological fluids.... |
| Range                      | 0.312-20ng/mL                                                                                                                                                                                                 |
| Sensitivity                | 0.116ng/mL                                                                                                                                                                                                    |
| NCBI                       | <a href="#">6876</a>                                                                                                                                                                                          |
| UniProt                    | <a href="#">Q01995</a>                                                                                                                                                                                        |
| Samples                    | tissue homogenates and other biological fluids.                                                                                                                                                               |
| Application Notes          | Assay Length: 4.5 hours .Experimental Method: Sandwich                                                                                                                                                        |
