| Product Description        | Cyclin-dependent kinases (CDKs) are a predominant group of serine/threonine protein kinases involved in the regulation of the cell cycle and its progression, ensuring the integrity and functionality of cellular machinery. These regulatory enzymes pla... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Concentration              | 1 mg/mL.                                                                                                                                                                                                                                                      |
| Clone Designation          | [JE75-37]                                                                                                                                                                                                                                                     |

|                    |                                                                           |
|--------------------|---------------------------------------------------------------------------|
| Molecular Weight   | Predicted band size: 34 kDa                                               |
| UniProt            | <a href="#">P24941</a>                                                    |
| Buffer             | 1*TBS (pH7.4), 0.05% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity             | Protein A affinity purified.                                              |
| Form               | Liquid                                                                    |
| Target             | CDK1, CDC2, CDC28A, CDKN1, P34CDC2, CDK2, CDKN2                           |
| Antibody Type      | Primary Antibody                                                          |
| Application Dilute | WB: 1:1,000 ,Dot Blot: 1:1,000                                            |
