| Category                   | Antikörper                                                                                                               |
| Application                | IHC-P, IP, WB                                                                                                            |
| Species Reactivity         | Human                                                                                                                    |
| Immunogen                  | Recombinant protein within human COMMD10 aa 1-202.                                                                       |
| Conjugation                | Unconjugated                                                                                                             |
| Product Description        | May modulate activity of cullin-RING E3 ubiquitin ligase (CRL) complexes. May down-regulate activation of NF-kappa-B.... |
| Clonality                  | Monoclonal                                                                                                               |
| Concentration              | 1 mg/mL.                                                                                                                 |
| Clone Designation          | [PSH09-13]                                                                                                               |
| Molecular Weight           | Predicted band size: 23 kDa                                                                                              |

|                    |                                                                        |
|--------------------|------------------------------------------------------------------------|
| UniProt            | <a href="#">Q9Y6G5</a>                                                 |
| Buffer             | PBS (pH7.4), 0.1% BSA, 40% Glycerol. Preservative: 0.05% Sodium Azide. |
| Purity             | Protein A affinity purified.                                           |
| Form               | Liquid                                                                 |
| Target             | COMM domain-containing protein 10 COMMD10 HSPC305 PTD002               |
| Antibody Type      | Primary Antibody                                                       |
| Application Dilute | WB: 1:2,000 ,IHC-P: 1:50 ,IP: 1-2µg/sample                             |
