### Mini Samples ELISA Kit for Alanine Aminotransferase (ALT) USC-MEA207HU

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | Mini Samples ELISA Kit for Alanine Aminotransferase (ALT)                                            |
| Biozol Catalog Number      | USC-MEA207HU                                                                                         |
| Supplier Catalog Number    | MEA207Hu                                                                                             |
| Alternative Catalog Number | USC-MEA207HU-48,USC-MEA207HU-96                                                                      |
| Manufacturer               | Cloud-Clone                                                                                          |
| Category                   | Kits/Assays                                                                                          |
| Species Reactivity         | Human                                                                                                |
| Range                      | 1.56-100ng/mL                                                                                        |
| Sensitivity                | The minimum detectable dose of this kit is typically less than 0.59ng/mL                             |
| UniProt                    | <a href="#">P24298</a>                                                                               |
| Samples                    | serum, plasma, tissue homogenates, cell lysates, cell culture supernates and other biological fluids |
| Application Notes          | Enzyme-linked immunosorbent assay for Antigen Detection.                                             |
