| Article Name               | Human MIF Protein                                                                |
| Biozol Catalog Number      | ASC-PRP1947                                                                      |
| Supplier Catalog Number    | PRP1947                                                                          |
| Alternative Catalog Number | ASC-PRP1947-5, ASC-PRP1947-20, ASC-PRP1947-100                                   |
| Manufacturer               | Abbkine Scientific                                                               |
| Category                   | Biochemikalien                                                                   |
| Product Description        | MIF...                                                                           |
| Molecular Weight           | 13.1 KDa                                                                         |
| Tag                        | MIF                                                                              |
| NCBI                       | <a href="#">4282</a>                                                             |
| Purity                     | > 97 % as determined by SDS-PAGE                                                 |
| Form                       | Lyophilized from sterile 20mM Tris,150mM NaCl, pH 8.0.                           |
| Sequence                   | Amino acid sequence derived from Human MIF (P14174) (Met1-Ala115) was expressed. |
| Formula                    | 13.1 KDa                                                                         |
| Application Notes          | Human                                                                            |
