## Product Datasheet

### **Anti-Acetyl-Histone H2B (Lys20) rabbit monoclonal antibody [RM235], Rabbit, Monoclonal RMB-31-1113-00**

|                            |                                                                                        |
|----------------------------|----------------------------------------------------------------------------------------|
| Article Name               | Anti-Acetyl-Histone H2B (Lys20) rabbit monoclonal antibody [RM235], Rabbit, Monoclonal |
| Biozol Catalog Number      | RMB-31-1113-00                                                                         |
| Supplier Catalog Number    | 31-1113-00                                                                             |
| Alternative Catalog Number | RMB-31-1113-00-100                                                                     |
| Manufacturer               | RevMAb                                                                                 |
| Host                       | Rabbit                                                                                 |
| Category                   | Antikörper                                                                             |
| Application                | ELISA, ICC, WB, xMAP                                                                   |
| Immunogen                  | An acetyl-peptide corresponding to Acetyl-Histone H2B (Lys20).                         |
| Product Description        | Rabbit monoclonal to Acetyl-Histone H2B (Lys20)...                                     |
| Clonality                  | Monoclonal                                                                             |
| Concentration              | 1 mg/mL                                                                                |
| Clone Designation          | [RM235]                                                                                |
| NCBI                       | <a href="#">3018</a>                                                                   |
| UniProt                    | <a href="#">P33778</a>                                                                 |
| Buffer                     | 50% Glycerol/PBS with 1% BSA and 0.09% sodium azide                                    |

|                    |                                                                                                                             |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Purity             | Protein A affinity purified from an animal origin-free culture supernatant                                                  |
| Application Dilute | WB: 0.5 ug/mL - 2 ug/mL, ELISA: 0.2 ug/mL - 1 ug/mL, Luminex: 0.1 ug/mL - 0.5 ug/mL, Immunocytochemistry: 1 ug/mL- 2 ug/mL. |
