## Product Datasheet

### Thyroxine-13C6, CAS [[1217780-14-7]] TOR-T425602

|                            |                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------|
| Article Name               | Thyroxine-13C6, CAS [[1217780-14-7]]                                                         |
| Biozol Catalog Number      | TOR-T425602                                                                                  |
| Supplier Catalog Number    | T425602                                                                                      |
| Alternative Catalog Number | TOR-T425602-1MG,TOR-T425602-5MG                                                              |
| Manufacturer               | Toronto Research Chemicals                                                                   |
| Category                   | Biochemikalien                                                                               |
| Molecular Weight           | 782.83                                                                                       |
| Purity                     | >95% (HPLC)                                                                                  |
| Sequence                   | N[C<br>H](C(O)=O)CC(C=C1I)=CC(I)=C1O[13C]2=[13C]([H])[13C](I)=[13C](<br>O)[13C](I)=[13C]2[H] |
| CAS Number                 | [1217780-14-7]                                                                               |
| Formula                    | C913C6H11I4NO4                                                                               |
