## Product Datasheet

### **Polyprotein P3 Antibody, Unconjugated, Rabbit, Polyclonal Preis auf Anfrage** **CSB-PA326724XA01RER-2**

|                            |                                                                                               |
|----------------------------|-----------------------------------------------------------------------------------------------|
| Article Name               | Polyprotein P3 Antibody, Unconjugated, Rabbit, Polyclonal Preis auf Anfrage                   |
| Biozol Catalog Number      | CSB-PA326724XA01RER-2                                                                         |
| Supplier Catalog Number    | CSB-PA326724XA01RER-2                                                                         |
| Alternative Catalog Number | CSB-PA326724XA01RER-2                                                                         |
| Manufacturer               | Cusabio                                                                                       |
| Host                       | Rabbit                                                                                        |
| Category                   | Antikörper                                                                                    |
| Application                | ELISA, WB                                                                                     |
| Species Reactivity         | Virus                                                                                         |
| Immunogen                  | Recombinant Rice tungro bacilliform virus (isolate Philippines) (RTBV) Polyprotein P3 protein |
| Conjugation                | Unconjugated                                                                                  |
| Clonality                  | Polyclonal                                                                                    |
| Concentration              | Antibody titer > 1: 64,000 confirmed by ELISA,                                                |
| UniProt                    | <a href="#">P27502</a>                                                                        |
| Buffer                     | Preservative: 0.03% Proclin 300<br />Constituents: 50% Glycerol, 0.01M PBS, pH 7.4            |
| Purity                     | Antibody purity > 90% confirmed by SDS-PAGE,                                                  |

|                   |                                                                               |
|-------------------|-------------------------------------------------------------------------------|
| Target            | Polyprotein P3                                                                |
| Application Notes | WB positive with the immunogen protein(Not applicable for synthetic peptide), |
