| Manufacturer               | MedchemExpress                                                                                                            |
| Category                   | Biochemikalien                                                                                                            |
| Product Description        | Bisphenol A diglycidyl ether phenol-diol-d6 is deuterium labeled 4-Hydroxy Bisphenol A (2,3-Dihydroxypropyl) Ether[1].... |
| Molecular Weight           | 308.40                                                                                                                    |
| Formula                    | C18H16D6O4                                                                                                                |
| Target                     | Isotope-Labeled Compounds                                                                                                 |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                                               |
