| Alternative Catalog Number | MCE-HY-12080A-50MG,MCE-HY-12080A-10MMX1ML,MCE-HY-12080A-25MG,MCE-HY-12080A-5MG,MCE-HY-12080A-10MG                                                                                                         |
| Manufacturer               | MedchemExpress                                                                                                                                                                                            |
| Category                   | Biochemikalien                                                                                                                                                                                            |
| Product Description        | BX471 hydrochloride (ZK-811752 hydrochloride) is a potent, selective non-peptide CCR1 antagonist with Ki of 1 nM for human CCR1, and exhibits 250-fold selectivity for CCR1 over CCR2, CCR5 and CXCR4.... |
| Molecular Weight           | 471.35                                                                                                                                                                                                    |
| Purity                     | 99.94                                                                                                                                                                                                     |
| CAS Number                 | [288262-96-4]                                                                                                                                                                                             |
| Formula                    | C21H25Cl2FN4O3                                                                                                                                                                                            |
| Target                     | CCR                                                                                                                                                                                                       |
| Application Notes          | MCE Product type: Reference compound                                                                                                                                                                      |
