## Product Datasheet

### **Sphingosine (d17:1), CAS [[6918-48-5]] MCE-HY-141579**

|                            |                                                                           |
|----------------------------|---------------------------------------------------------------------------|
| Article Name               | Sphingosine (d17:1), CAS [[6918-48-5]]                                    |
| Biozol Catalog Number      | MCE-HY-141579                                                             |
| Supplier Catalog Number    | HY-141579                                                                 |
| Alternative Catalog Number | MCE-HY-141579-5MG                                                         |
| Manufacturer               | MedchemExpress                                                            |
| Category                   | Biochemikalien                                                            |
| Product Description        | Sphingosine (d17:1) is a 17-carbon sphingosine found in human skin[1].... |
| Molecular Weight           | 285.47                                                                    |
| Purity                     | 99.93                                                                     |
| CAS Number                 | [6918-48-5]                                                               |
| Formula                    | C17H35NO2                                                                 |
| Target                     | Others                                                                    |
| Application Notes          | Natural Products                                                          |
