| Biozol Catalog Number      | MCE-HY-150642S                                                                                         |
| Supplier Catalog Number    | HY-150642S                                                                                             |
| Alternative Catalog Number | MCE-HY-150642S-1MG                                                                                     |
| Manufacturer               | MedchemExpress                                                                                         |
| Category                   | Biochemikalien                                                                                         |
| Product Description        | Guanosine-5 - monophosphate-15N5 (sodium) is the 15N labeled Guanosine-5 - monophosphate sodium[1].... |
| Molecular Weight           | 412.15                                                                                                 |
| Purity                     | 99.50                                                                                                  |
| Formula                    | C10H12 15N5Na2O8P                                                                                      |
| Target                     | Isotope-Labeled Compounds                                                                              |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                            |
