| Alternative Catalog Number | MCE-HY-P10091-10MG,MCE-HY-P10091-5MG                                                                                                                                                                   |
| Manufacturer               | MedchemExpress                                                                                                                                                                                         |
| Category                   | Proteine/Peptide                                                                                                                                                                                       |
| Product Description        | CD24/Siglec-10 blocking peptide, CSBP can not only block the interaction of CD24/Siglec-10 but also PD-1/PD-L1. CD24/Siglec-10 blocking peptide, CSBP can induce the phagocytosis of tumor cell[1].... |
| Molecular Weight           | 985.09                                                                                                                                                                                                 |
| Purity                     | 98.91                                                                                                                                                                                                  |
| Formula                    | C47H68N8O15                                                                                                                                                                                            |
| Target                     | PD-1/PD-L1                                                                                                                                                                                             |
| Application Notes          | MCE Product type: Peptides                                                                                                                                                                             |
