## Product Datasheet

### **TNF-alpha (10-36), human (TFA)** **MCE-HY-P1825A**

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | TNF-alpha (10-36), human (TFA)                                     |
| Biozol Catalog Number      | MCE-HY-P1825A                                                      |
| Supplier Catalog Number    | HY-P1825A                                                          |
| Alternative Catalog Number | MCE-HY-P1825A-5MG,MCE-HY-P1825A-10MG                               |
| Manufacturer               | MedchemExpress                                                     |
| Category                   | Proteine/Peptide                                                   |
| Product Description        | TNF-alpha (10-36), human (TFA) is a peptide of human TNF-alpha.... |
| Molecular Weight           | 3110.36                                                            |
| Purity                     | 98.23                                                              |
| Formula                    | C133H212N43O40                                                     |
| Target                     | TNF Receptor                                                       |
| Application Notes          | MCE Product type: Peptides                                         |
