| Alternative Catalog Number | MCE-HY-P2198-5MG,MCE-HY-P2198-1MG                                                                                                                                                                           |
| Manufacturer               | MedchemExpress                                                                                                                                                                                              |
| Category                   | Proteine/Peptide                                                                                                                                                                                            |
| Product Description        | PAMP-12(human, porcine) is a major component of immunoreactive (ir)-PAMP, is processed from the adrenomedullin precursor, is a potent hypotensive peptide and participates in cardiovascular control[1].... |
| Molecular Weight           | 1618.93                                                                                                                                                                                                     |
| Purity                     | 97.27                                                                                                                                                                                                       |
| CAS Number                 | [196305-05-2]                                                                                                                                                                                               |
| Formula                    | C77H119N25O14                                                                                                                                                                                               |
| Target                     | Mas-related G-protein-coupled Receptor (MRGPR)                                                                                                                                                              |
| Application Notes          | MCE Product type: Peptides                                                                                                                                                                                  |
