| Article Name               | (S)-2-((((9H-Fluoren-9-yl)methoxy)carbonyl)amino)-2,3-dimethylbutanoic acid, CAS [[169566-81-8]]          |
| Biozol Catalog Number      | MCE-HY-W018849                                                                                            |
| Supplier Catalog Number    | HY-W018849                                                                                                |
| Alternative Catalog Number | MCE-HY-W018849-100MG,MCE-HY-W018849-1G,MCE-HY-W018849-5G,MCE-HY-W018849-250MG,MCE-HY-W018849-10G          |
| Manufacturer               | MedchemExpress                                                                                            |
| Category                   | Proteine/Peptide                                                                                          |
| Product Description        | (S)-2-((((9H-Fluoren-9-yl)methoxy)carbonyl)amino)-2,3-dimethylbutanoic acid is a valine derivative[1].... |
| Molecular Weight           | 353.42                                                                                                    |
| Purity                     | 99.92                                                                                                     |
| CAS Number                 | [169566-81-8]                                                                                             |
| Formula                    | C21H23NO4                                                                                                 |
| Target                     | Amino Acid Derivatives                                                                                    |
| Application Notes          | MCE Product type: Peptides                                                                                |
