## Product Datasheet

### **N-Tert-Butoxycarbonyl-(4S)-4-Methoxymethyl-L-proline, CAS [[1378388-16-9]]** **MCE-HY-W022138**

|                            |                                                                                     |
|----------------------------|-------------------------------------------------------------------------------------|
| Article Name               | N-Tert-Butoxycarbonyl-(4S)-4-Methoxymethyl-L-proline, CAS [[1378388-16-9]]          |
| Biozol Catalog Number      | MCE-HY-W022138                                                                      |
| Supplier Catalog Number    | HY-W022138                                                                          |
| Alternative Catalog Number | MCE-HY-W022138-10G                                                                  |
| Manufacturer               | MedchemExpress                                                                      |
| Category                   | Proteine/Peptide                                                                    |
| Product Description        | N-Tert-Butoxycarbonyl-(4S)-4-Methoxymethyl-L-proline is a proline derivative[1].... |
| Molecular Weight           | 259.30                                                                              |
| Purity                     | 95                                                                                  |
| CAS Number                 | [1378388-16-9]                                                                      |
| Formula                    | C12H21NO5                                                                           |
| Target                     | Amino Acid Derivatives                                                              |
| Application Notes          | MCE Product type: Peptides                                                          |
