## Product Datasheet

### **L-Proline beta-naphthylamide (hydrochloride), CAS [[97216-16-5]]** **MCE-HY-134935**

|                            |                                                                             |
|----------------------------|-----------------------------------------------------------------------------|
| Article Name               | L-Proline beta-naphthylamide (hydrochloride), CAS [[97216-16-5]]            |
| Biozol Catalog Number      | MCE-HY-134935                                                               |
| Supplier Catalog Number    | HY-134935                                                                   |
| Alternative Catalog Number | MCE-HY-134935-100MG                                                         |
| Manufacturer               | MedchemExpress                                                              |
| Category                   | Proteine/Peptide                                                            |
| Product Description        | L-Proline beta-naphthylamide (hydrochloride) is a proline derivative[1].... |
| Molecular Weight           | 276.76                                                                      |
| CAS Number                 | [97216-16-5]                                                                |
| Formula                    | C15H17ClN2O                                                                 |
| Target                     | Amino Acid Derivatives                                                      |
| Application Notes          | MCE Product type: Peptides                                                  |
