| Manufacturer               | MedchemExpress                                                                                   |
| Category                   | Biochemikalien                                                                                   |
| Product Description        | Silodosin glucuronide-d4 (lithium) is the deuterium labeled Silodosin glucuronide lithium[1].... |
| Molecular Weight           | 681.62                                                                                           |
| Formula                    | C31H35D4F3LiN3O10                                                                                |
| Target                     | Isotope-Labeled Compounds                                                                        |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                                                      |
