| Alternative Catalog Number | MCE-HY-144174S-5MG,MCE-HY-144174S-1MG                                  |
| Manufacturer               | MedchemExpress                                                         |
| Category                   | Biochemikalien                                                         |
| Product Description        | Methylacifluorfen-d3 is the deuterium labeled Methylacifluorfen[1].... |
| Molecular Weight           | 378.70                                                                 |
| Formula                    | C15H6D3CIF3NO5                                                         |
| Target                     | Isotope-Labeled Compounds                                              |
| Application Notes          | MCE Product type: Isotope-Labeled Compounds                            |
