| Alternative Catalog Number | MCE-HY-169095-1UNIT                                                                                                                                              |
| Manufacturer               | MedchemExpress                                                                                                                                                   |
| Category                   | Biochemikalien                                                                                                                                                   |
| Product Description        | (S,R,S)-AHPC-Me-CO-C9-NH <sub>2</sub> yes E3Ligase ligand and PROTAC LinkerThe conjugate can be used to synthesize PROTACMolecules, such as MS41 (HY-169093).... |
| Molecular Weight           | 613.85                                                                                                                                                           |
| CAS Number                 | [2458219-94-6]                                                                                                                                                   |
| Formula                    | C <sub>33</sub> H <sub>51</sub> N <sub>5</sub> O <sub>4</sub> S                                                                                                  |
| Target                     | E3 Ligase Ligand-Linker Conjugates                                                                                                                               |
| Application Notes          | MCE Product type: Reference compound                                                                                                                             |
