| Category                   | Proteine/Peptide                                                                                                                                                                               |
| Product Description        | E/Envelope Protein, Dengue virus 2 (399a.a, T76R, Q77E, W101R, L107R, sf9, His) is the recombinant Virus-derived E/Envelope protein, expressed by Sf9 insect cells, with C-His labeled tag.... |
| Molecular Weight           | 45.7 kDa                                                                                                                                                                                       |
| Purity                     | 98                                                                                                                                                                                             |
| Formula                    | /((Gene_ID)AAC59274.1 (M281-G679, T76R, Q77E, W101R, L107R)(Accession)                                                                                                                         |
| Application Notes          | MCE Product type: Recombinant Proteins                                                                                                                                                         |
