## Product Datasheet

**Anti-OX2R / CD200R1 Reference Antibody (Janssen patent anti-CD200R1),  
Monoclonal  
SYB-CHA149**

|                            |                                                                                                                                            |

| Article Name               | Anti-OX2R / CD200R1 Reference Antibody (Janssen patent anti-CD200R1), Monoclonal                                                           |
| Biozol Catalog Number      | SYB-CHA149                                                                                                                                 |
| Supplier Catalog Number    | CHA149                                                                                                                                     |
| Alternative Catalog Number | SYB-CHA149-100UG,SYB-CHA149-1MG                                                                                                            |
| Manufacturer               | Sanyou Bio                                                                                                                                 |
| Category                   | Antikörper                                                                                                                                 |
| Application                | ELISA, FA, FACS, Kinetics                                                                                                                  |
| Species Reactivity         | Human                                                                                                                                      |
| Product Description        | Anti-OX2R / CD200R1 Reference Antibody (Janssen patent anti-CD200R1)(CHA149) is expressed from CHO. It has a predicted MW of 145.5 kDa.... |
| Clonality                  | Monoclonal                                                                                                                                 |
| Concentration              | 1mg/ml                                                                                                                                     |
| UniProt                    | <a href="#">Q8TD46</a>                                                                                                                     |
| Buffer                     | 25mM histidine, 8% sucrose, 0.01% Tween80 pH6.2                                                                                            |
| Purity                     | >95%                                                                                                                                       |
| Form                       | Lyophilize                                                                                                                                 |
| Target                     | OX2R / CD200R1                                                                                                                             |
