| Alternative Catalog Number | ABX652655-1MG,ABX652655-5MG,ABX652655-10UG,ABX652655-50UG,ABX652655-100UG,ABX652655-200UG,ABX652655-500UG |
| Manufacturer               | Abbexa                                                                                                    |
| Host                       | E. coli                                                                                                   |
| Category                   | Proteine/Peptide                                                                                          |
| Application                | SDS-PAGE, WB                                                                                              |
| Conjugation                | Unconjugated                                                                                              |
| Concentration              | Prior to lyophilization: 200 µg/ml                                                                        |
| Buffer                     | Prior to lyophilization: PBS, pH 7.4, containing 0.01% Sarcosyl, 1 mM DTT, 5% Trehalose and Proclin-300.  |
| Expression System          | Recombinant                                                                                               |
| Purity                     | > 90%                                                                                                     |
| Form                       | Lyophilized                                                                                               |
| Target                     | Beta-1,3-Galactosyltransferase 1 (B3GALT1)                                                                |
