## Product Datasheet

**Mouse Catechol-O-Methyltransferase (COMT) Protein, Unconjugated, E. coli**  
**ABX652799**

|                            |                                                                                                          |

| Article Name               | Mouse Catechol-O-Methyltransferase (COMT) Protein, Unconjugated, E. coli                                 |
| Biozol Catalog Number      | ABX652799                                                                                                |
| Supplier Catalog Number    | abx652799                                                                                                |
| Alternative Catalog Number | ABX652799-10UG,ABX652799-50UG,ABX652799-100UG,ABX652799-200UG,ABX652799-1MG,ABX652799-500UG              |
| Manufacturer               | Abbexa                                                                                                   |
| Host                       | E. coli                                                                                                  |
| Category                   | Proteine/Peptide                                                                                         |
| Application                | SDS-PAGE, WB                                                                                             |
| Conjugation                | Unconjugated                                                                                             |
| Concentration              | Prior to lyophilization: 200 µg/ml                                                                       |
| Molecular Weight           | Calculated MW: 31.2 kDa Observed MW: 29 kDa                                                              |
| Buffer                     | Prior to lyophilization: PBS, pH 7.4, containing 0.01% Sarcosyl, 1 mM DTT, 5% Trehalose and Proclin-300. |
| Expression System          | Recombinant                                                                                              |
| Purity                     | > 90%                                                                                                    |
| Form                       | Lyophilized                                                                                              |
| Target                     | Catechol-O-Methyltransferase (COMT)                                                                      |
