## Product Datasheet

**Rat JNK1/MAPK8 Associated Membrane Protein (JKAMP) Protein,  
Unconjugated, E. coli  
ABX654088**

|                            |                                                                                                          |

| Article Name               | Rat JNK1/MAPK8 Associated Membrane Protein (JKAMP) Protein, Unconjugated, E. coli                        |
| Biozol Catalog Number      | ABX654088                                                                                                |
| Supplier Catalog Number    | abx654088                                                                                                |
| Alternative Catalog Number | ABX654088-10UG,ABX654088-50UG,ABX654088-100UG,ABX654088-200UG,ABX654088-1MG,ABX654088-500UG              |
| Manufacturer               | Abbexa                                                                                                   |
| Host                       | E. coli                                                                                                  |
| Category                   | Proteine/Peptide                                                                                         |
| Application                | SDS-PAGE, WB                                                                                             |
| Conjugation                | Unconjugated                                                                                             |
| Concentration              | Prior to lyophilization: 200 µg/ml                                                                       |
| Molecular Weight           | Calculated MW: 36.0 kDa Observed MW (SDS-PAGE): 36 kDa                                                   |
| Buffer                     | Prior to lyophilization: PBS, pH 7.4, containing 0.01% Sarcosyl, 1 mM DTT, 5% Trehalose and Proclin-300. |
| Expression System          | Recombinant                                                                                              |
| Purity                     | > 97%                                                                                                    |
| Form                       | Lyophilized                                                                                              |
| Target                     | JNK1/MAPK8 Associated Membrane Protein (JKAMP)                                                           |
