| Article Name               | Human Serine Peptidase Inhibitor Kazal Type 5 (SPINK5) Protein, Unconjugated, E. coli                    |
| Biozol Catalog Number      | ABX069041                                                                                                |
| Supplier Catalog Number    | abx069041                                                                                                |
| Alternative Catalog Number | ABX069041-10UG,ABX069041-50UG,ABX069041-100UG,ABX069041-200UG,ABX069041-1MG,ABX069041-500UG              |
| Manufacturer               | Abbexa                                                                                                   |
| Host                       | E. coli                                                                                                  |
| Category                   | Proteine/Peptide                                                                                         |
| Application                | SDS-PAGE, WB                                                                                             |
| Conjugation                | Unconjugated                                                                                             |
| Concentration              | Prior to lyophilization: 200 µg/ml                                                                       |
| Molecular Weight           | Calculated MW: 35.7 kDa                                                                                  |
| UniProt                    | <a href="#">Q9NQ38</a>                                                                                   |
| Buffer                     | Prior to lyophilization: PBS, pH 7.4, containing 0.01% Sarcosyl, 1 mM DTT, 5% Trehalose and Proclin-300. |
| Expression System          | Recombinant                                                                                              |
| Purity                     | > 95%                                                                                                    |
| Form                       | Lyophilized                                                                                              |

|        |                                                  |
