## Product Datasheet

### Human Lipoprotein Lipase (LPL) Protein, Unconjugated, E. coli ABX073621

|                            |                                                               |
|----------------------------|---------------------------------------------------------------|
| Article Name               | Human Lipoprotein Lipase (LPL) Protein, Unconjugated, E. coli |
| Biozol Catalog Number      | ABX073621                                                     |
| Supplier Catalog Number    | abx073621                                                     |
| Alternative Catalog Number | ABX073621-2UG,ABX073621-10UG,ABX073621-1MG                    |
| Manufacturer               | Abbexa                                                        |
| Host                       | E. coli                                                       |
| Category                   | Proteine/Peptide                                              |
| Conjugation                | Unconjugated                                                  |
| Concentration              | Prior to lyophilization: 0.5 mg/ml                            |
| Molecular Weight           | 51.61 kDa                                                     |
| UniProt                    | <a href="#">P06858</a>                                        |
| Buffer                     | Prior to lyophilization: 50 mM Acetate, pH 4.0.               |
| Expression System          | Recombinant                                                   |
| Form                       | Lyophilized                                                   |
| Target                     | Lipoprotein Lipase (LPL)                                      |
