## Product Datasheet

### CD36 Monoclonal Antibody, Clone: [5B6F5], Mouse BTL-BT-MCA4371

|                            |                                                                                |
|----------------------------|--------------------------------------------------------------------------------|
| Article Name               | CD36 Monoclonal Antibody, Clone: [5B6F5], Mouse                                |
| Biozol Catalog Number      | BTL-BT-MCA4371                                                                 |
| Supplier Catalog Number    | BT-MCA4371                                                                     |
| Alternative Catalog Number | BTL-BT-MCA4371-50UL,BTL-BT-MCA4371-100UL                                       |
| Manufacturer               | BT Lab                                                                         |
| Host                       | Mouse                                                                          |
| Category                   | Antikörper                                                                     |
| Application                | IHC                                                                            |
| Species Reactivity         | Human                                                                          |
| Immunogen                  | Purified recombinant fragment of human CD36 (AA: 30-130) expressed in E. Coli. |
| Clonality                  | Monoclonal                                                                     |
| Clone Designation          | [5B6F5]                                                                        |
| Molecular Weight           | 53kDa                                                                          |
| Formula                    | Purified antibody in PBS with 0.05% sodium azide.                              |
| Target                     | CD36                                                                           |
