| Article Name               | Uncoated Human MFGE8 (Milk Fat Globule EGF Factor 8) ELISA Kit                                                                                |
| Biozol Catalog Number      | ELA-E-UNEL-H0321-15                                                                                                                           |
| Supplier Catalog Number    | E-UNEL-H0321-15                                                                                                                               |
| Alternative Catalog Number | ELA-E-UNEL-H0321-15-96TX15                                                                                                                    |
| Manufacturer               | Elabscience                                                                                                                                   |
| Category                   | Kits/Assays                                                                                                                                   |
| Application                | ELISA                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                         |
| Range                      | 0.16-10 ng/mL                                                                                                                                 |
| UniProt                    | <a href="#">Q08431</a>                                                                                                                        |
| Samples                    | Serum, plasma                                                                                                                                 |
| Target                     | MFGE8                                                                                                                                         |
| Application Notes          | This ELISA kit applies to the in vitro quantitative determination of Human MFGE8 concentrations in serum, plasma and other biological fluids. |
