| Article Name               | Uncoated Mouse AGER (Total Advanced Glycosylation End Product Specific Receptor) ELISA Kit                       |
| Biozol Catalog Number      | ELA-E-UNEL-M0017-15                                                                                              |
| Supplier Catalog Number    | E-UNEL-M0017-15                                                                                                  |
| Alternative Catalog Number | ELA-E-UNEL-M0017-15-96TX15                                                                                       |
| Manufacturer               | Elabscience                                                                                                      |
| Category                   | Kits/Assays                                                                                                      |
| Application                | ELISA                                                                                                            |
| Species Reactivity         | Mouse                                                                                                            |
| Range                      | 31.25-2000 pg/mL                                                                                                 |
| UniProt                    | <a href="#">Q62151</a>                                                                                           |
| Samples                    | Serum, plasma                                                                                                    |
| Target                     | AGER                                                                                                             |
| Application Notes          | This ELISA kit applies to the in vitro quantitative determination of Mouse AGER concentrations in serum, plasma. |
