| Article Name               | Uncoated Mouse IFN-gamma (Interferon Gamma) ELISA Kit                                                                 |
| Biozol Catalog Number      | ELA-E-UNEL-M0043-5                                                                                                    |
| Supplier Catalog Number    | E-UNEL-M0043-5                                                                                                        |
| Alternative Catalog Number | ELA-E-UNEL-M0043-5-96TX5, ELA-E-UNEL-M0043-5-196TX5                                                                   |
| Manufacturer               | Elabscience                                                                                                           |
| Category                   | Kits/Assays                                                                                                           |
| Application                | ELISA                                                                                                                 |
| Species Reactivity         | Mouse                                                                                                                 |
| Range                      | 31.25-2000 pg/mL                                                                                                      |
| UniProt                    | <a href="#">P01580</a>                                                                                                |
| Samples                    | Serum, plasma                                                                                                         |
| Target                     | IFN-gamma                                                                                                             |
| Application Notes          | This ELISA kit applies to the in vitro quantitative determination of Mouse IFN-gamma concentrations in serum, plasma. |
