| Category                   | Kits/Assays                                                                                                        |
| Application                | ELISA                                                                                                              |
| Species Reactivity         | Mouse                                                                                                              |
| Range                      | 0.31-20 ng/mL                                                                                                      |
| UniProt                    | <a href="#">O35188</a>                                                                                             |
| Samples                    | Serum, plasma                                                                                                      |
| Target                     | CX3CL1                                                                                                             |
| Application Notes          | This ELISA kit applies to the in vitro quantitative determination of Mouse CX3CL1 concentrations in serum, plasma. |
