## Product Datasheet

### RET Polyclonal Antibody(Capture/Detector), Unconjugated, Rabbit ELA-AN000810P

|                            |                                                                    |
|----------------------------|--------------------------------------------------------------------|
| Article Name               | RET Polyclonal Antibody(Capture/Detector), Unconjugated, Rabbit    |
| Biozol Catalog Number      | ELA-AN000810P                                                      |
| Supplier Catalog Number    | AN000810P                                                          |
| Alternative Catalog Number | ELA-AN000810P-100UG,ELA-AN000810P-1MG,ELA-AN000810P-25UG           |
| Manufacturer               | Elabscience                                                        |
| Host                       | Rabbit                                                             |
| Category                   | Antikörper                                                         |
| Species Reactivity         | Human                                                              |
| Immunogen                  | Recombinant Human RET protein expressed by Mammalian               |
| Conjugation                | Unconjugated                                                       |
| Clonality                  | Polyclonal                                                         |
| Concentration              | 1 mg/mL                                                            |
| UniProt                    | <a href="#">P07949</a>                                             |
| Buffer                     | Phosphate buffered solution, pH 7.2, containing 0.05% proclin 300. |
| Purity                     | Antigen Affinity Purification                                      |
| Target                     | RET                                                                |
| Application Dilute         | ELISA Capture 2-8 µg/mL,ELISA Detector 0.1-0.4 µg/mL               |
