## Product Datasheet

**CCL18/PARC Polyclonal Antibody(Capture/Detector), Unconjugated,  
Rabbit  
ELA-AN004630P**

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | CCL18/PARC Polyclonal Antibody(Capture/Detector), Unconjugated, Rabbit |
| Biozol Catalog Number      | ELA-AN004630P                                                          |
| Supplier Catalog Number    | AN004630P                                                              |
| Alternative Catalog Number | ELA-AN004630P-100UG,ELA-AN004630P-1MG,ELA-AN004630P-25UG               |
| Manufacturer               | Elabscience                                                            |
| Host                       | Rabbit                                                                 |
| Category                   | Antikörper                                                             |
| Species Reactivity         | Human                                                                  |
| Immunogen                  | Recombinant Human CCL18/PARC Protein expressed by E.coli               |
| Conjugation                | Unconjugated                                                           |
| Clonality                  | Polyclonal                                                             |
| Concentration              | 1 mg/mL                                                                |
| UniProt                    | <a href="#">P55774</a>                                                 |
| Buffer                     | Phosphate buffered solution, pH 7.2, containing 0.05% proclin 300.     |
| Purity                     | Antigen Affinity Purification                                          |
| Target                     | CCL18/PARC                                                             |
| Application Dilute         | ELISA Capture 2-8 µg/mL,ELISA Detector 0.1-0.4 µg/mL                   |
