## Product Datasheet

### Recombinant Human CAMK2A/CAMKA Protein (GST Tag) ELA-PKSH030403

|                            |                                                                                                      |
|----------------------------|------------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Human CAMK2A/CAMKA Protein (GST Tag)                                                     |
| Biozol Catalog Number      | ELA-PKSH030403                                                                                       |
| Supplier Catalog Number    | PKSH030403                                                                                           |
| Alternative Catalog Number | ELA-PKSH030403-50UG                                                                                  |
| Manufacturer               | Elabscience                                                                                          |
| Category                   | Proteine/Peptide                                                                                     |
| Species Reactivity         | Human                                                                                                |
| Molecular Weight           | calculated_mw: 80.3 kDa. observed_mw: 80 kDa                                                         |
| Tag                        | N-GST                                                                                                |
| NCBI                       | <a href="#">741960</a>                                                                               |
| UniProt                    | <a href="#">A8K161</a>                                                                               |
| Expression System          | Baculovirus-Insect Cells                                                                             |
| Purity                     | > 85 % as determined by reducing SDS-PAGE.                                                           |
| Form                       | Supplied as sterile solution of 50mM Tris, 100mM NaCl, 0.5mM PMSF, 0.5mM Reduced Glutathione, pH 8.0 |
| Sequence                   | Met 1-His 478                                                                                        |
