## Product Datasheet

### Recombinant Human CHK2/CHEK2 Protein (GST Tag) ELA-PKSH030433

|                            |                                                                                              |
|----------------------------|----------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Human CHK2/CHEK2 Protein (GST Tag)                                               |
| Biozol Catalog Number      | ELA-PKSH030433                                                                               |
| Supplier Catalog Number    | PKSH030433                                                                                   |
| Alternative Catalog Number | ELA-PKSH030433-50UG                                                                          |
| Manufacturer               | Elabscience                                                                                  |
| Category                   | Proteine/Peptide                                                                             |
| Species Reactivity         | Human                                                                                        |
| Molecular Weight           | calculated_mw: 88.1 kDa                                                                      |
| Tag                        | N-GST                                                                                        |
| NCBI                       | <a href="#">009125</a>                                                                       |
| UniProt                    | <a href="#">O96017</a>                                                                       |
| Expression System          | Baculovirus-Insect Cells                                                                     |
| Purity                     | > 95 % as determined by reducing SDS-PAGE.                                                   |
| Form                       | Supplied as sterile 50 mM Tris, 150 mM NaCl, 25 %glycerol, pH 7.5, 0.1 mM EDTA, 0.5 mM TCEP. |
| Sequence                   | Met 1-Leu543                                                                                 |
