| Article Name               | Recombinant Human DR6/TNFRSF21 Protein (His Tag)                                                                                                                                                                  |
| Biozol Catalog Number      | ELA-PKSH031800                                                                                                                                                                                                    |
| Supplier Catalog Number    | PKSH031800                                                                                                                                                                                                        |
| Alternative Catalog Number | ELA-PKSH031800-1MG,ELA-PKSH031800-100UG                                                                                                                                                                           |
| Manufacturer               | Elabscience                                                                                                                                                                                                       |
| Category                   | Proteine/Peptide                                                                                                                                                                                                  |
| Application                | ELISA                                                                                                                                                                                                             |
| Species Reactivity         | Human                                                                                                                                                                                                             |
| Molecular Weight           | calculated_mw: 35.0 kDa. observed_mw: 50-60 kDa                                                                                                                                                                   |
| Tag                        | C-His                                                                                                                                                                                                             |
| NCBI                       | <a href="#">055267</a>                                                                                                                                                                                            |
| UniProt                    | <a href="#">075509</a>                                                                                                                                                                                            |
| Expression System          | HEK293 Cells                                                                                                                                                                                                      |
| Purity                     | > 96 % as determined by reducing SDS-PAGE.                                                                                                                                                                        |
| Form                       | Lyophilized from sterile PBS, pH 7.5Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequence                   | Met 1-Leu 350                                                                                                                                                                                                     |
