| Alternative Catalog Number | ELA-PKSH034163-100UG,ELA-PKSH034163-20UG                                                                                                                                                                           |
| Manufacturer               | Elabscience                                                                                                                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                                                                                                                   |
| Application                | Cell Culture                                                                                                                                                                                                       |
| Species Reactivity         | Human                                                                                                                                                                                                              |
| Molecular Weight           | calculated_mw: 13.3 kDa. observed_mw: 13-26 kDa                                                                                                                                                                    |
| Tag                        | C-His                                                                                                                                                                                                              |
| NCBI                       | <a href="#">09603</a>                                                                                                                                                                                              |
| UniProt                    | <a href="#">P09603</a>                                                                                                                                                                                             |
| Expression System          | E.coli                                                                                                                                                                                                             |
| Purity                     | > 98 % as determined by reducing SDS-PAGE.                                                                                                                                                                         |
| Form                       | Lyophilized from sterile PBS, pH 7.4.Normally 5% - 8% trehalose, mannitol and 0.01% Tween 80 are added as protectants before lyophilization.Please refer to the specific buffer information in the printed manual. |
| Sequence                   | Glu 33-Gln 181                                                                                                                                                                                                     |
