## Product Datasheet

### 2-(2-Methanesulfonyl-6,7-dimethoxy-1,2,3,4-tetrahydroisoquinolin-1-yl)acetohydrazide, CAS [[100879-60-5]] CBS-AEA87960

|                            |                                                                                                           |
|----------------------------|-----------------------------------------------------------------------------------------------------------|
| Article Name               | 2-(2-Methanesulfonyl-6,7-dimethoxy-1,2,3,4-tetrahydroisoquinolin-1-yl)acetohydrazide, CAS [[100879-60-5]] |
| Biozol Catalog Number      | CBS-AEA87960                                                                                              |
| Supplier Catalog Number    | AEA87960                                                                                                  |
| Alternative Catalog Number | CBS-AEA87960-50MG,CBS-AEA87960-0.5G                                                                       |
| Manufacturer               | Biosynth                                                                                                  |
| Category                   | Biochemikalien                                                                                            |
| Molecular Weight           | 343.4 g/mol                                                                                               |
| Sequence                   | <chem>COC1=C(C=C2C(N(CCC2=C1)S(=O)(=O)C)CC(=O)NN)OC</chem>                                                |
| CAS Number                 | [100879-60-5]                                                                                             |
| Formula                    | C14H21N3O5S                                                                                               |
