## Product Datasheet

**Oxalic acid, {1-[(4-fluorophenyl)methyl]-1H-1,2,3-triazol-4-yl}methanamine,  
CAS [[1795485-29-8]]  
CBS-VWC48529**

|                            |                                                                                                  |
|----------------------------|--------------------------------------------------------------------------------------------------|
| Article Name               | Oxalic acid, {1-[(4-fluorophenyl)methyl]-1H-1,2,3-triazol-4-yl}methanamine, CAS [[1795485-29-8]] |
| Biozol Catalog Number      | CBS-VWC48529                                                                                     |
| Supplier Catalog Number    | VWC48529                                                                                         |
| Alternative Catalog Number | CBS-VWC48529-50MG,CBS-VWC48529-0.5G                                                              |
| Manufacturer               | Biosynth                                                                                         |
| Category                   | Biochemikalien                                                                                   |
| Molecular Weight           | 296.25 g/mol                                                                                     |
| Sequence                   | <chem>C1=CC(=CC=C1CN2C=C(N=N2)CN)F.C(=O)(C(=O)O)O</chem>                                         |
| CAS Number                 | [1795485-29-8]                                                                                   |
| Formula                    | C12H13FN4O4                                                                                      |
