### Histone H3(Mono Methyl Lys9) Rabbit Polyclonal Antibody RBT-RA20087

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | Histone H3(Mono Methyl Lys9) Rabbit Polyclonal Antibody                |
| Biozol Catalog Number      | RBT-RA20087                                                            |
| Supplier Catalog Number    | RA20087                                                                |
| Alternative Catalog Number | RBT-RA20087-50,RBT-RA20087-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | IHC, WB                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Molecular Weight: 15-17KD. Protein MW (KDa): 15-17KD                   |
| NCBI                       | <a href="#">8290</a>                                                   |
| UniProt                    | <a href="#">P68431</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Rabbit                                                                 |
| Target                     | Antibody can detect endogenous Histone H3(Mono Methyl Lys9) proteins.  |
| Application Dilute         | WB 1:500-1,000 IHC 1:200-500                                           |
