### DUSP6 Rabbit Polyclonal Antibody RBT-RA20258

|                            |                                                                        |
|----------------------------|------------------------------------------------------------------------|
| Article Name               | DUSP6 Rabbit Polyclonal Antibody                                       |
| Biozol Catalog Number      | RBT-RA20258                                                            |
| Supplier Catalog Number    | RA20258                                                                |
| Alternative Catalog Number | RBT-RA20258-50,RBT-RA20258-100                                         |
| Manufacturer               | Reed Biotech                                                           |
| Category                   | Antikörper                                                             |
| Application                | WB                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                      |
| Clonality                  | Polyclonal                                                             |
| Molecular Weight           | Molecular Weight: 42,44KD. Protein MW (KDa): 42,44KD                   |
| NCBI                       | <a href="#">1848</a>                                                   |
| UniProt                    | <a href="#">Q16828</a>                                                 |
| Buffer                     | 1mg/ml in PBS, pH 7.4, containing 0.02% sodium azide and 50% glycerol. |
| Source                     | Rabbit                                                                 |
| Target                     | Antibody can detect endogenous DUSP6 proteins.                         |
| Application Dilute         | WB 1:1,000-5,000                                                       |
