## Product Datasheet

### **Recombinant Bacillus cereus 1- (5-phosphoribosyl)-5-[ (5-phosphoribosylamino)methylideneamino] imidazole-4-carboxamide isomerase** **MBS1203457-1-E**

|                            |                                                                                                                                  |
|----------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | Recombinant Bacillus cereus 1- (5-phosphoribosyl)-5-[ (5-phosphoribosylamino)methylideneamino] imidazole-4-carboxamide isomerase |
| Biozol Catalog Number      | MBS1203457-1-E                                                                                                                   |
| Supplier Catalog Number    | MBS1203457-1-E                                                                                                                   |
| Alternative Catalog Number | MBS1203457-1-E                                                                                                                   |
| Manufacturer               | MyBiosource                                                                                                                      |
| Category                   | Proteine/Peptide                                                                                                                 |
| Purity                     | Greater or equal to 85% purity as determined by SDS-PAGE.                                                                        |
| Form                       | Lyophilized or liquid (Format to be determined during the manufacturing process)                                                 |
