| Article Name               | Recombinant Human Interleukin-36 Receptor Antagonist, E. coli                                                                                  |
| Biozol Catalog Number      | MBS144602-0.025                                                                                                                                |
| Supplier Catalog Number    | MBS144602-0.025                                                                                                                                |
| Alternative Catalog Number | MBS144602-0.025                                                                                                                                |
| Manufacturer               | MyBiosource                                                                                                                                    |
| Host                       | E. coli                                                                                                                                        |
| Category                   | Proteine/Peptide                                                                                                                               |
| Purity                     | Greater than 95.0% as determined by: (a) Analysis by RP-HPLC. (b) Analysis by SDS-PAGE.                                                        |
| Form                       | IL1F5 was lyophilized after extensive dialysis against 20mM Phosphate buffer, pH7.4. Sterile Filtered White lyophilized (freeze-dried) powder. |
